

U.S. SECTION - BANK ACCOUNT DIRECT DEPOSIT OR WITHDRAWAL INFORMATION

IMPORTANT! THIS SHOULD BE A BANK ACCOUNT AT A BANK BRANCH IN THE U.S. IF YOU DO NOT HAVE A U.S. BANK ACCOUNT, JUST LEAVE THIS SECTION BLANK – YOU WILL RECEIVE A REFUND CHECK INSTEAD.

I would like the IRS and/or a state tax authority to (select both if you wish):

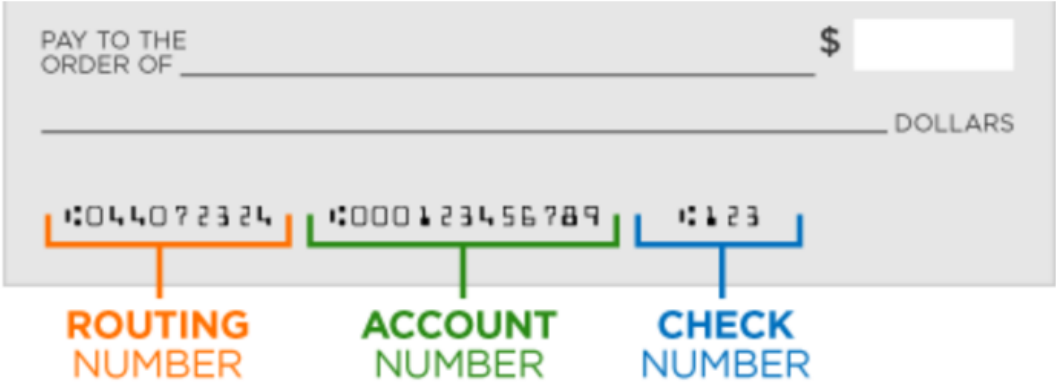

If yes, provide the following:

Type of account (indicate checking or savings): _____
Routing number: _____
Account number: _____
Financial institution: _____

Finding the required information on a check

The account number will most commonly be a 10 to 12-digit number that uniquely identifies your bank account.

This information can be found at the bottom edge of a check as indicated below:

You can also find this information by contacting your financial institution, through online banking, or a Direct Deposit form obtained from your financial institution.
